

UPDATE #1

portkemblahydrogenhub.com.au

Date: 12 June 2020

Major announcement today about H2X's plans to build a range of hydrogen powered vehicles at Port Kembla;

<https://www.aumanufacturing.com.au/hydrogen-vehicles-to-be-manufactured-in-port-kembla-exclusive>

Great news for the region and H2Hub@PortKembla.

Regards

Nigel McKinnon
